Mondopad

Flexible, collaborative touchscreen solutions that work the way you do
Collaboration that Fits

The Mondopad family of touchscreen collaboration solutions help teams work together more efficiently—in the same room or around the world. Collaborate visually, capture and share information, bridge communication gaps, and strengthen teams to do better work in less time. Available with an array of features and sizes, Mondopad offers a collaboration solution that meets the unique needs of your team and your meeting space.

**Mondopad Ultra**

**Premium, high performance collaboration**

- Seamlessly integrated, complete touchscreen collaboration solution
- Native HD video calling and data sharing
- Digital whiteboard and document annotation
- Built on a powerful Intel i7-based Windows 10 PC
- Includes 4K camera and microphone array

**Mondopad Launch**

**Start meetings quickly with the tools you choose**

- Video conferencing ready – includes 4K camera and microphone array
- Digital whiteboard and document annotation
- Share content wirelessly from any device
- Add your favorite software, apps, and tools
- Built on an Intel i5-based Windows 10 PC

**Mondopad Core**

**Essential collaboration tools**

- Interactive digital whiteboard and document annotation
- Share content wirelessly from any device
- View and present documents, photos, and video
- Available with OPS PC
**Powerful Presentation & Collaboration Tools**

Whether you’re outfitting a boardroom or a small huddle space, every Mondopad includes a suite of collaboration features to make every meeting more productive.

- Share content wirelessly from any device
- Draw or write on a digital whiteboard
- Annotate over documents
- View documents, photos, videos and other files
- Browse the web
- Forget the remote – manage your display or change sources, volume, level, and settings with Total Touch Control™

**Bring Your Own Device**

Securely connect and share content from PCs, Macs, tablets or smartphones – making meetings more collaborative and productive.

- Connect and share content from any computer or mobile device
- Remotely control the screen from your own device (Mondopad Ultra)
- Internet-based connections for guest support (Mondopad Launch)

**View, Annotate, and Share**

Never lose an idea. Quickly and easily take notes on anything you’re presenting and then save the changes.

- Mark-up documents, images, web pages, or videos
- Save your notes as an image and email it directly from the Mondopad
- Manage common or secure files accessed by email, office network, USB drives, and cloud-based services like Dropbox

**Capture Ideas on an Interactive Whiteboard**

Brainstorm, save, and share your ideas on an interactive whiteboard without borders or barriers.

- Create and draw on a giant multi-screen canvas
- Capture, save, and email whiteboard notes directly from the Mondopad
- Paste backgrounds and images onto a whiteboard and annotate on top
- Write or draw with a complete collection of digital pens, shapes, lines, and colors

“With the unique ability of the Mondopad to draw and annotate, our personnel in their respective classrooms can see anything the instructor is talking about.”

— Mike Heimbecker, Fire Inspector, Addison Fire Protection District
Premium, high performance collaboration

Mondopad Ultra is the complete, all-in-one touchscreen collaboration system for efficient face-to-face collaboration with people anywhere around the globe. Choose Mondopad Ultra to video conference, whiteboard, share data, and more—all from one seamlessly integrated platform.

Video Connect to the World

Bring people together instantly from anywhere in the world to visually collaborate on the same content. Use ConX Cloud, the easy cloud-based video collaboration service from InFocus that works with any mobile device, PC, or Mac—as well as other SIP and H.323 endpoints—or add the video conferencing platform of your choice. Mondopad Ultra includes a complimentary 3-seat, 1-year subscription to ConX Cloud.

Brainstorm & Share Ideas Through the Cloud

Mondopad Ultra supports ConX Whiteboard, which enables you and co-workers in other locations to interact and share ideas on a Mondopad Ultra whiteboard, at the same time. Using your Mondopad Ultra and your ConX Cloud login credentials, join a ConX Whiteboard session and just start drawing. Everyone can see the same whiteboard screen, and each participant can draw or write in a different color, or insert text or images. ConX Whiteboard works in conjunction with ConX Cloud, or on its own with any other video conferencing solution.

Connect Instantly to your Office 365 Account

Access your Office 365 account quickly and securely on any Mondopad Ultra. Utilize the new Mondopad Ultra mobile app from your personal device to easily share information from your email and attachments, your calendar, documents stored on your OneDrive account, SharePoint, and more—so that you can start meetings and get to work faster.

Key Features:

- Native HD video conferencing and data sharing
- Interactive digital whiteboard and document annotation
- Wireless content sharing from any device
- Screen capture and annotation for all video sources
- Complete InFocus Mondopad software suite, plus Microsoft Office
- Built on an 7th generation Intel i7-based Windows 10 Pro PC
- Change source and setting on screen with Total Touch Control
- Available in 55-, 65-, 75-, or 86-inch models, each with a 4K anti-glare display
- Includes 4K camera, microphone, and wireless keyboard with integrated touchpad
- ConX Cloud video conferencing subscription included

See faces and content side by side with dual-stream video conferencing capabilities, or split them onto a second touch display — Mondopad Ultra displays video conferencing windows while Mondopad Core shows content.

Part Numbers:
INF55MU01, INF65MU01, INF75MU01, INF86MU01
Start meetings quickly with the tools you choose

Mondopad Launch is the fastest path to more productive meetings. Fully configurable and video conferencing-ready, Mondopad Launch offers a touchscreen display, a built-in whiteboard, multi-user casting, and a custom meeting launch interface—so that you can quickly access your favorite apps or tools in any group workspace.

Key Features:

• Fully configurable – add your favorite software & apps, such as Skype or Zoom
• Interactive digital whiteboard and document annotation
• Multi-user casting from any device
• Video collaboration ready – comes with 4K camera and microphone
• Customizable meeting launch interface
• Screen capture and annotation for all video sources
• Built on an 7th generation Intel i5-based Windows 10 Pro PC
• Change source and setting on screen with Total Touch Control
• Available in 55-, 65-, 75-, or 86-inch models, each with a 4K anti-glare display
• Includes wireless keyboard with integrated touchpad

Designed for the Group Workspace

Mondopad Launch is the configurable solution for organizations that need easy access to key software and tools—such as video conferencing services, presentation tools, project management software, and more—in a shared group workspace. Easily access your key software and apps, as well as preloaded collaboration tools, from a customizable meeting interface with large, convenient buttons, to start meetings quickly and then easily reset the touchscreen for the next meeting.

Customize Your Meeting Interface

QuickLaunch allows you to add links to your favorite collaboration software, apps, and services directly to the home screen, enabling you to easily access key tools and start meetings quickly. QuickLaunch provides a wide range of configuration options, allowing you to customize the look and feel of your Mondopad Launch home screen to meet the unique needs of your organization.

Mondopad Launch includes the Standard Edition of QuickLaunch. Upgrade to the Professional Edition to add a meeting room calendar to the home screen of your Mondopad Launch. Scheduled video calls are then easily accessible via a large button within the calendar appointment so that you can instantly join your video call.

Powerful, Multi-User Casting

Montage, from DisplayNote, offers simple but powerful casting so that you can easily share content wirelessly from your laptop or mobile device. Montage allows up to six people to cast content simultaneously. The main user at the screen can choose which user to show as the active screen, and other users can then annotate from their personal device on to the casted image for all to see.
Outfit Your Meeting Space with Touch

Mondopad Core combines a business-grade touchscreen with embedded Android and a suite of essential collaboration tools for casting, whiteboarding, viewing documents, and browsing the web. Select Mondopad Core to make any space meeting-ready—from conference rooms, to libraries, to public meeting areas, huddle spaces, and more.

Add the Power of a PC

Upgrade to a Mondopad Core with an 7th generation Intel i7 PC to build a more powerful touchscreen solution for your specific need. Maximize the power of Windows 10 Pro on a fluid, multi-touch screen to bring your special application to life in any setting.

Essential tools for collaboration

Mondopad Core is the easiest way to share information and ideas in your meeting space. Draw or write on a digital whiteboard, share content wirelessly, or browse the web—Mondopad Core is the simple, affordable way to outfit any space with the most essential collaboration tools.

Key Features:

- Interactive touch panel with multiple video inputs and multiple touch ports
- OPS bay for optional Intel-based Windows 10 PC
- Embedded Android for secure, reliable essential apps
- Digital whiteboard and document annotation
- Wireless content sharing from any device
- Screen capture and annotation for all video sources
- Change source and setting on screen with Total Touch Control
- Available in 55-, 65-, 75-, or 86-inch models, each with a 4K anti-glare display
- Includes wireless keyboard with integrated touchpad*

*Mondopad Core with PC Part Numbers:
INF55MC31, INF65MC31, INF75MC31, INF86MC31

Wireless keyboard included with PC model only.
**Accessories / Solutions**

InFocus products work together so you can collaborate effectively in and out of the conference room.

**Video and Audio Solutions**

Provide and capture the best views and sounds in the room for efficient and clear communication.

- **4K Video Camera & Microphone Array (HW-CAMERA-4):** Vivid 4K video camera and microphone array with dual-channel differential MIC inputs to reduce background noise.
- **Thunder Speakerphone (INA-TH150):** VoiceAware anti-echo & noise-reducing technology for any size meeting room.

**Video Conferencing and Data Sharing Solutions**

Collaborate with multiple participants and share faces and data on-demand.

- **SimpleShare (INA-SIMSI):** A true cable replacement, SimpleShare is the easiest, most direct way to wirelessly share videos, presentations, documents, and more—with no software to install.
- **SimpleShare Presentation System (INA-SIMPS1):** Complete wireless SimpleShare conference room solution that includes 3 transmitters and a charging station.
- **SimpleShare Touch Presentation System (INA-SIMINT1):** Complete wireless SimpleShare conference room solution that supports up to 3 presenters with wireless touch control from the display panel. Includes 3 touch transmitters and a charging station.
- **ConX Cloud:** Secure cloud-based video meeting rooms for large groups on nearly any device.
- **121 Premium (IN121PRM-1Y):** Add 4-way video conferencing and custom SIP address capabilities to your Mondopad. Customize SIP addresses with your domain name with IN121PRM-DOM.

**Display & PC Solutions**

Enhance the usability and power of Mondopad with these solutions.

- **Dual Screen Display:** Extend your Mondopad’s desktop to a second touch display and show two apps at once; see your InFocus reseller for more information.
- **Mondopad Ultra Replacement PC (PC-i7OPS-1MUW):** Back up your Mondopad Ultra PC or switch between two different configurations.
- **Mondopad Launch Replacement PC (PC-i5OPS-1ML):** Back up your Mondopad Launch PC or switch between two different configurations.

**Mounting Solutions**

Mount your Mondopad on the wall or on a cart and roll it wherever it’s needed to maximize its versatility.
