

# Registration Rewards

Exclusive discounts for channel partner resellers that lead with InFocus products and solutions

## How it Works

- Register at [infocusregistrationrewards.com](http://infocusregistrationrewards.com) to become a participating reseller. You'll receive an email with your personal login and password within 24 hours.
- Submit your InFocus sales opportunities for Reg Rewards and get approval or status confirmation within 24 hours.
- Resellers receive assistance from InFocus Sales to help close the opportunity.
- This program can also be used for 1-unit deal opportunities!
- Your sales time investment is protected by strong product discounts.
- Receive your reward either as an up-front price adjustment when the product is purchased from InFocus or a distributor, or post-sales check when the sale is marked complete in the Reg Rewards Portal.
- Registering your deal is fast – it takes as little as 10 minutes. **To register you'll need to know:**
  - End user information
  - Specific products you will be quoting
  - Where you will be purchasing the product
  - Estimated close date
  - How you want to receive the rewards bonus
